EXECUTIVE PROFILE

Motivated Software Engineering student currently pursuing a Higher National Diploma (HND) at IJSE – Institute of Software Engineering. Skilled in Java, Spring Boot, React, and MySQL, with hands-on experience in web and mobile application development. Seeking a Software Engineering Internship to gain industry experience while planning to pursue a Top-up BSc (Hons) Degree in Software Engineering.

PROJECTS

Ecosnap Jurnal(Mobile App)

- Developed a cross-platform mobile app using React Native Expo with Firebase Authentication and Firestore, enabling users to securely manage eco-friendly journal entries with images.
  https://github.com/thakshila462/Eco-snap-jurnal

Pixora Website

- Developed a full-stack web application that enables users to request and manage photography services and edit photos. Built with React, TypeScript, Node.js, Express.js, and MongoDB, including authentication, user management, and service request management.
  For the Backend(https://github.com/thakshila462/PIXORA-BE),
  For the Frontend(https://github.com/thakshila462/PIXORA-FE),

Cinnamon Buying & Plantation Service System

- Developed a web-based system that allows users to purchase cinnamon products, request plantation services, and manage service requests through an interactive and user-friendly interface. Implemented frontend functionality using HTML, CSS, and JavaScript, with Java for backend development and system functionality.
  https://youtu.be/bI9091jI-Tg?si=Ohqg2mD3ASAJR2pS

Cafe Management System

- Developed a Java-based cafe management system to manage customer details, process and track orders, and streamline daily cafe operations through an efficient and user-friendly interface
  https://github.com/thakshila462/cafe-Management-System

EDUCATION

Higher National Diploma (HND) in Software Engineering

IJSE-Institute of Software Engineering(2024)

- Intend to pursue a BSc (Hons) Degree in Software engineering upon successful

G.C.E. Advanced Level (A/L)

G/Karandeniya C.C.(2022)

Maths Stream

- COMBINED MATHS – C
- PHYSICS – S

G.C.E. Ordinary Level (A/L)

G/Bandula Senadheera M.V.(2018)

- results-: 5B &4C

SKILLS

TECHNICAL SKILLS

- *Programming Languages*: Java, JavaScript, TypeScript, Python
- *Frontend*: HTML5, CSS3, React.js, React Native, Tailwind CSS, Bootstrap
- *Backend*: Spring Boot, Node.js, Express.js, REST APIs
- *Databases*: MySQL, MongoDB, Firebase Firestore
- Tools: Git, GitHub, Docker, Postman, VS Code, IntelliJ IDEA, Figma

SOFT SKILLS

- Problem Solving
- Teamwork
- Communication
- Time Management

LANGUAGE

- Sinhala
- English(Intermedeate)
